No worries.

We received the summons. Plea would be good.

Tues AM would be better for both of us. It will give us the chance to get to your case and go to our other court obligations.

Have a nice weekend.

Sorry for the delay. Thought it went out on the summons. Your lab No: [REDACTED] Defense counsel phones yesterday to tell me it would be a plea, but I am not confident in that. Your likely date to testify would be Tuesday, but I don't know if that works for you and Kate. Let me know how your calendar sets up. Thanks.

I will. My secretary was out Friday so I suspect you will receive summons today. Since I had your email I was trying to provide you with just a little extra notice. As usual, thanks for your attention to this matter.

Hi Bob,

Could you please fax the summons to 617-983-6625 for both Kate and myself? We are with the Dept of Public Health, not MSP.

Also could you provide me with the Lab#/s associated with this case?

Thanks as always.

Annie
